

이승언 (Seungeon Lee)

Ph.D Student

Computer Science Department - KAIST

Data Science Lab

Personal

Date of Birth 21 March 1995
Phone (010) 3119-2391
Email archon159@kaist.ac.kr

Education

2020 - Present KAIST, Ph.D Student, Computer Science
2018 - 2020 KAIST, Master Student, Electrical Engineering
2014 - 2018 KAIST, Bachelor of Engineering
 [Major: Electrical Engineering, Minor: Computer Science]
2011 - 2014 Gyeonggi Science High School for the Gifted

Publication

NSDI 2020' AccelTCP: Accelerating Network Applications with Stateful
 TCP Offloading [2nd Author]

Programming Language

C and Python

Research Interest

Natural Language Processing, Machine Learning related System and Platform
Application / System Design with Social Network Consideration

Language Skills

Korean, English
