

POST-DOCTORAL RESEARCHER IN DATA SCIENCE, IBS

DATA SCIENCE GROUP

FELLOWSHIP

The IBS Data Science Group in Daejeon, South Korea, invites applications for several postdoctoral researcher positions. The expected starting date is March 1, 2022. The candidate should have a Ph.D. by the start date.

Data Science Group is located at the Institute for Basic Science (IBS) headquarters in Daejeon, South Korea, a city of 1.5 million people.

We seek talented, highly motivated researchers. Successful candidates for this position will be new or recent Ph.D. graduates with outstanding research potential in the fields of computer science and related fields of data science. The current position is a non-tenure track. The appointment is initially for one year. The contract can be extended by another two years based on the evaluation of excellence. The starting salary is KRW 57,000,000 or above.

APPLICATION PROCESS AND REQUIREMENT :

- 1_ Curriculum vitae (CV) including the publication list (PDF format)
- 2_ Research statement (up to 2 pages, PDF format)
- 3_ A minimum of 2 recommendation letters, sent directly by the referees.
- 4_ PDF version of one key publication as the 1st or the corresponding author

**January 17, 2022,
at 11:59pm KST
(Korea Standard Time)**

We seek researchers with advanced knowledge, vision, and passion.
